## **Pitts Testimonial**

"It's very hard to find individuals who are going to have the same passion about a project that you trying hard to make a solid reality.

Working with Amanda and Neera has been a game changer for our organization. Our non-profit organization was looking for event planners to help make our annual fundraiser the best event ever! We found that in this duo! Both women were dedicated to our cause and helped us see what we were missing with our past fundraising efforts. We were very impressed by how organized and how they were on top of all the little details. They never stopped working until everything was perfect. Amanda and Neera always went the extra mile which made our event very successful.

These ladies have tons of character, awesome work ethic and can turn any event into success! We love them both and are grateful for the opportunity to work with them."
