

To Whom It May Concern,

The Wade Smith Foundation is eternally grateful for the partnership we have been able to forge with the Elevate Management Group over the past 3 years. Our ability to increase revenue, from our generous donors, has grown exponentially as a direct result of our events produced by the EMG. This, in turn, has significantly increased positive impact the Wade Smith Foundation has been able to make on thousands of students, in Greater Houston, as well as the entire State of Texas.

Amanda and Neera's knowledge, dedication, and passion for helping Non-Profits work towards their stated visions, is a tribute to their professional acumen and personal character. I am thankful to work side by side with them and know our partnership will consistently allow us to achieve success for the foreseeable future.
